***Bradley University participates in the Illinois Articulation Initiative (IAI).** Students planning to transfer to Bradley in Accounting, Computer Science & Information Systems, and Engineering are advised that those programs require the second semester of English composition to be taken at the 300-level. Students who complete all IAI GECC requirements except for C1 901 will be able to complete their Bradley Core Curriculum requirements on successful completion of an approved Bradley W2 course.

**W1 + W2 courses cannot be used to satisfy WI tag requirements.

***May not be used to satisfy more than one Area of Inquiry.

Curriculum

Bradley's unique Music and Entertainment Industry program offers students a unique balance of studies including coursework in business, communications, and the music and entertainment industry. Students take advantage of our nationally recognized business college, and complete a Music Business Internship (CFA301) in area of the industry of their choice. Topics such as copyright, intellectual property rights, arts management, talent buying and agency, music licensing, and the structure of the recording and publishing industry are covered in depth.
